

This aerial site plan illustrates a proposed sports complex layout. The plan is bounded by Webster Street to the north, Bensonhurst Parade to the west, and Pennsylvania Crescent to the south. Hacketts Road is located to the east. The complex includes several key features:

- Field 1:** Two large rectangular fields, each measuring 55,000 by 18,500 units, located in the central-eastern portion of the site.
- Field 2:** A large circular field with a diameter of 70,000 units, situated in the central-western portion.
- Field 3:** A rectangular field measuring 36,000 by 5,000 units, located in the northern section.
- Field 4:** A rectangular field measuring 24,500 by 5,000 units, located in the western section.
- Field 5:** A rectangular field measuring 3,600 by 5,000 units, located in the northern section.
- Field 6:** A rectangular field measuring 3,600 by 5,000 units, located in the northern section.
- Field 7:** A rectangular field measuring 3,600 by 5,000 units, located in the northern section.
- Field 8:** A rectangular field measuring 3,600 by 5,000 units, located in the northern section.
- Field 9:** A rectangular field measuring 3,600 by 5,000 units, located in the northern section.
- Field 10:** A rectangular field measuring 3,600 by 5,000 units, located in the northern section.
- Field 11:** A rectangular field measuring 3,600 by 5,000 units, located in the northern section.

Other features include a youth precinct (by others) including a playground and skate park in the northern section, a parking lot in the western section, and a building footprint in the central-eastern portion. The plan also shows various dimensions for the fields and surrounding areas, as well as a scale bar indicating 0 to 100 meters.
